

Outlook Foundation

YESTERDAY'S TECHNOLOGY...POWERING TOMORROW

Get involved... you can help change a life.

The Outlook Foundation repurposes computers for children in need and for military personnel being deployed. But we need your help to fulfill our mission. Individuals, communities and corporations can provide essential support by making a monetary gift, volunteering time and talent, supporting our special events and outreach activities, donating products, and much more.

Your contribution will help us ensure that these children have the same educational tools as their peers and will provide our servicemen and women with a vital link to their families when they are far from home.

Give hope for tomorrow by donating today at <https://outlookfoundation.org/donate>.

The Outlook Foundation is recognized as a 501(c)(3) nonprofit organization.

The Outlook Building
517 S. Tonopah Drive, Las Vegas, NV 89106
Donation Line: 1-888-885-8284 • Office: 1-888-782-3610

"Our participation in the Outlook Foundation is an extension of the trust and respect we have for John, and is one way we can show our support for his efforts to help others."

**YESTERDAY'S TECHNOLOGY...
POWERING TOMORROW**

OUR MISSION:

The Outlook Foundation will repurpose computers and give them to children in need, helping ensure all children have the same opportunities in education, and to military personnel being deployed so we can help bridge the communication gap with their families that they would otherwise face.

– Mar. 2011**

"Thank you so very much for this Lenovo! It is up and running and has already helped a lot! From my schoolwork to my writing, it helps tremendously, especially my advanced English assignments. Also, it enables my family and myself to see my sister daily via Skype (due to the fact that she lives in Montana)...what you are doing is beautiful. I hope you continue your work and hopefully make someone half as joyous as you have made me. ~Forever,

Naomi Stokes
Age 14, Recipient

"Thank you for your commitment to the students in the Clark County School District. Dedicated individuals such as you help us prepare our students for the future...thank you for helping us shape our future artists, architects, scientists, lawyers, doctors, etc."

"Your computer donations have a far-reaching impact in cementing our partnership with the local community. Your generosity will enable us to unite family members halfway around the globe, via internet, and will affirm to these Airmen that they have continued family and community support that is so fundamental to mission success... It's an honor and a privilege to be associated with you and I thank you for your continued support of our members and their families, each of whom benefited from your selflessness..."
